

UNITED WAY OF NORTHERN BRITISH COLUMBIA (UWNBC) -- COMMUNITY IMPACT IN TUMBLER RIDGE

Organizational Strengthening Investments

- UWNBC plays a facilitative role in connecting businesses that have excess new or used resources, be it technologies, furniture, employees or other resources, with charities throughout the region that would benefit from the resources. An example of this is a partnership with TELUS whereby 39 northern BC region charities and non-profits received new computers from TELUS to help them continue providing important community services. UWNBC coordinated the initiative by distributing the information on the opportunity, and delivering the computers to charities throughout the northern BC region. 4 computers were delivered to a Tumbler Ridge organization as a result of this partnership.

Program & Service Impact Investments - July 1st 2010 to June 30th 2011
