UNITED WAY OF NORTHERN BRITISH COLUMBIA (UWNBC) – COMMUNITY IMPACT IN MASSET

As part of UWNBC community development work, community issues were identified through research and consultation for UWNBC’s 3 pillars: **Successful Kids/ Empowered Families, Involved Seniors** and **Healthy Citizens and Safe, Supportive Communities**.

The Masset issues identified can be summarized as:

Successful Kids/ Empowered Families	Involved Seniors	Healthy Citizens and Safe, Supportive Communities
Need more resources to support a drop-in centre for youth	Need indoor / outdoor home maintenance programs	Need timely access to mental health supports
More mentoring / life coaching programs for youth		Need more programs for men (i.e., healthy relationships, trauma support, etc.)
Need more basic family supports / parenting programs		Need more community programs for those in recovery
For more information please visit: www.unitedwaynbc.ca/Documents/Success By 6 2010 2011.pdf		

Listed on the next page are current community development, organizational capacity enhancements and community investments that begin to address the community issues identified above. With your support UWNBC will continue to assess needs and invest for change.

COMMUNITY IMPACT INVESTMENTS - JULY 1ST 2011 TO JUNE 30TH 2012

- **BC Paraplegic Association** - The mission of the BC Paraplegic Association is to help people with spinal cord injuries and other physical disabilities achieve independence, self-reliance and full community participation. For further information call 1-800-689-2477 or visit www.bcpara.org.

The **BCPA Peer Program** hosts social groups, special events and educational sessions that give people with spinal cord injuries, their family members and their friends the opportunity to connect with others in similar situations, to try new activities that they may not have thought possible because of their injury and to continue learning about living with an injury.

Information Services: comprised of a Provincial InfoLine (1-800-689-2477), a dynamic website (www.bcpara.org) and a comprehensive SCI Information Database, people can access vital information on issues related to living with a spinal cord injury, such as accessible housing, government benefits, employment opportunities and recreation options.

- **cnib** - Provides community-based support, knowledge and a national voice to ensure blind and partially sighted Canadians have the confidence, skills and opportunities to fully participate in life. For further information call (250) 563-1702 or visit www.cnib.ca.

Rehabilitation Services include: Orientation and Mobility, Independent Living Skills, Career and Employment and Low Vision Services. People who are coping with vision loss receive peer support from trained volunteers and referrals as needed to health professionals, information on obtaining a CNIB ID card, training from service staff to help them remain independent or maintain employment and access to the free CNIB library service.

- **Crisis Prevention, Intervention & Information Centre for Northern BC** - Operates a Crisis line, youth support line and online youth chat room and provides community education workshops and information on community resources. They provide crisis intervention, suicide prevention, resource information, education and confidential peer support for the people of Northern BC. For further information call (250) 564-5736 or visit www.northernbccrisissuicide.ca
- **Amata Transition House Society** – The Amata Transition House is a non-profit feminist based society dedicated to ending all forms of violence against women and children. For more information call 250-992-7321 or visit www.amata.ca

Children Who Witness Abuse: Amata is hosting a training session for Northern BC staff of transition homes in support of Children Who Witness Abuse (CWWA) programs. CWWA is an intervention and prevention based program that addresses the needs of children and youth between the ages of 3 and 18 who have been exposed to abuse.
