Community Programs	Program Description
<b>PACES Hub at Roosevelt Community School</b>	The hub is a place for parents to bring their children and access resources from throughout the community. Programming is made available including the Empowerment through sewing project and kid's yoga. Major funding for this project was received from CAP-C.
<b>Robert Munsch - Donald Jones</b>	Robert Munsch entertained many adults and children at the Lester Centre of the Arts.
<b>North Pacific Cannery</b>	Tours for children at K.I.D.S. and Westview Childcare Centres and their teachers.
<b>Connie Meisner Yoga</b>	Kid's yoga provided at the HUB
<b>Westview Childcare Centre</b>	Empowerment Through Sewing Project - An instructor will attend the HUB at Roosevelt Park Community School to teach parents how to sew approximately 10 hoodies for their children.
<b>Westview Childcare Centre Leap Legacy</b>	
<b>School District No. 52</b>	Conrad Strong Start – Drum making and cedar bark headband weaving.
<b>School District No. 52</b>	Pineridge Strong Start – Music Classes
<b>Teddy Bear Picnic</b>	Service providers will be available to make service providers more accessible to families in the community and children will be entertained by doing an assortment of activities with their teddy bears.
<b>Gordon Neufeld Conference (January 2009)</b>	Gordon Neufeld presented Relationship Matters, Cultivating Caring Children, and Attachment and Vulnerability in Young Children. This training was provided free of charge to approximately 200 individuals.
<b>Provincial Networking Group</b>	Chris Arnold Training – Behaviour Intervention and Safe Spaces

Aboriginal Programs	Program Description
<b>Kitkatla Children's Resource Fair</b>	Funds were used to purchase food, materials, and transportation for a children's fair to be held in Kitkatla on October 27, 2008. The purpose was to create relationships between the people of Kitkatla and the many family and child resources in Prince Rupert. To show the parents that these resources were available not only to the people of Prince Rupert but to them as well. The partnership for this event was with the RCMP, North Pacific Seaplanes, the Health Promotion Program, Kitkatla Nursing Station, Kitkatla Band Council, and the Westview Child Care Centre.

### Aboriginal Programs

### Program Description

#### Hartley Bay Children's Resource Fair

Funds were used to purchase food, materials, and transportation for a children's fair to be held in Hartley Bay on November 3, 2008. The purpose was to create relationships between the people of Hartley Bay and the many family and child resources in Prince Rupert. To show the parents that these resources were available not only to the people of Prince Rupert but to them as well. The partnership for this event was with NIFCS, the Health Promotion Program, Hartley Bay Elders Centre, and the Westview Child Care Centre.

---

#### LaxKwalaams Children's Resource Fair

Funds were used to purchase food, materials, and transportation for a children's fair to be held in LaxKwalaams on November 21, 2008. The purpose was to create relationships between the people of LaxKwalaams and the many family and child resources in Prince Rupert. To show the parents that these resources were available not only to the people of Prince Rupert but to them as well. The partnership for this event was with the BC Cancer Association, the Health Promotion Program, Early Childhood Educator Leah Jowe, the LaaKwalaams Elders, and the Port Simpson nursing station.
