

Our Impact in 2020-2021

Through our long history, vast network and key research, United Way of Northern BC identifies the #unignorable issues of Northern BC. Your generosity enables us to invest time, effort and dollars to tackle these critical needs in our communities.

73,866

people were directly impacted by a United Way funded program or service

203,497

Total number of interventions

1,865

social service referrals provided through 2-1-1 helpline

11,660

individual visits to provide support with filing taxes, government applications, and other accessibility services.

1,199

individuals received mental health support through

12,119

sessions

17,770

senior visits to access programs including meals, transit, PPE, and help with isolation

8,406

people received critical support through helplines during a time of crisis

10,026

Transit vouchers issued to tackle the transportation barrier faced by the most vulnerable

39,968

participants' visits to access healthy meals or food hampers

11,981

individuals received youth and parenting supports

8,058

homeless individuals safely accessed the gadget charging station during the pandemic

Last year,
local people
across Northern BC
came together
to create
extraordinary impact!

BIGGER IMPACT FOR YOUR DOLLAR!

Not only do we provide funding for those who need it most, we support our communities in many other ways:

Advocating the unique needs of our Northern BC communities

Empowering other non-profit agencies

Getting involved at community tables and events

Supporting others through United Way programs
