

UNITED
MORE THAN
EVER

I want to take a moment to recognize and celebrate the **United Way** for the incredible work they're doing not only here in Prince George but throughout **Northern BC**. As a local charity, we have seen firsthand the impacts of Covid-19 and how it has impacted our families and our communities. United Way has stepped up time and time again to ensure that local organizations have the support they need to sustain operations and continue to support those in need. I encourage you all to support them as much as you can.

Every dollar raised will help support programs like Big Brothers Big Sisters and help move our communities from COVID response to COVID recovery.
